Volume 30 Number 7

6 June 2014

Dear Parents/Guardians, Students & Friends of SFX

Perhaps one of the most applicable words for all generations would be from the prayer of St Francis. The St Francis to which this prayer is attributed is not St Francis Xavier, but St Francis of Assisi. However the internet tells me that the words were not actually penned by St Francis at all. Rather the prayer first became public around 1912, at the time of the First World War.

Nevertheless, wherever they came from the message is still clear, powerful and applicable through all ages.

Lord, make me an instrument of your peace.
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is error, truth;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled as to console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.

What confronts the reader immediately from these words is the emphasis on the other person. I am not the most important person and my life should not be all about getting whatever I can. Rather, we are a pathway to help other people. We are here to bring peace, forgiveness, faith, hope, joy and love. It's all very confronting and very demanding.

Perhaps it's also worth thinking about what the prayer is not saying. There is no mention that we should be an instrument of wealth, or fame, or attention, or glory, or power. No, these words have a completely different message from those that are frequently broadcast around the world. They stand in contrast to the consumerism and individualism that has infiltrated the modern world.

This is why we should applaud the actions of those who take the time to help other people. I can see this when our students offer to help on the Night Care Van, or donate blood, or give money during the St Vincent De Paul fund raising campaign, or help students in the local primary schools.

Guest Midwife Presenters in Year 11 Exploring Early Childhood

Special guest presenters for our
Year 11 Exploring Early

Childhood students during the week prior to the exams were Ms Jane Crosbie and Mrs Mandy Hunter, both from the Belmont Midwifery Group Practice and the Birth Centre Team Midwifery Unit at John Hunter Hospital. It was a truly valuable experience for our students to hear such experienced midwives presenting information about hospital births, home births, the natural process of birthing, the positive experience of birthing and the valuable postnatal care the services provide for newborn babies and their parents.

With the Exploring Early Childhood course focusing on the lives of young children from birth to eight years of age. It was an informative presentation from these midwives who certainly work towards happy, healthy and safe beginnings of life for newborns. We thank these ladies most sincerely for their time and interest in our students and their course.

BECOME A HOST FAMILY!!!

Japanese Sister School Visit

St Francis Xavier's has had a close relationship with Rakusei Boys' High School in Kyoto, Japan, for the past 25 years. This year they are again sending three boys to spend 10 days with us in Newcastle and I am looking for three families who would be interested in opening their home to a young Japanese visitor. Rakusei is one of the most prestigious Catholic schools in the Kansai region and the boys who come are always chosen for their ability to speak English and their personality, therefore they usually fit in very well with their host family and close friendships can be formed. You do not need to understand Japanese, just be open to new experiences and new cultures. They will arrive in Newcastle on Thursday, 24 July and leave on Monday, 4 August. Those students who travelled to Japan with their junior schools would now be expected to repay the hospitality by hosting in turn.

Please speak to your parents and consider the many benefits which could accrue should you decide to host - it can be a life changing experience for the whole family. Please see Miss Veltruski, so that I can inform the Japanese school of the hosting details and so that you can have some email/Facebook contact before they arrive.

Dominic Day Celebration

Friday, 9 May marked the annual SFX celebration of one of our four patron saints, Saint Dominic. The day started off with a liturgy dedicated to Dominic's life and teachings. Many members of the Dominic House came together to create a short video in appreciation for our saint.

The festivities then continued out onto the quadrangle where we had stalls of fairy floss, Tetris, numerous lolly jars and many more. The school was full of Where's Wallys, Thing 1 and 2 from Cat in the Hat and people coloured head to toe in red. It is a SFX tradition that Dominic is the house of karaoke and it was a smash! We had an overwhelming amount of people volunteering to show off their vocal chords. Shout out to Daniel Provost and Michael Smart for their thrilling duo.

All in all, it was a ripper day, good work Dominic House. Saint Dominic would be very proud!

And a big thankyou to all students who contributed to this day by supporting the stalls or volunteering for karaoke. All proceeds will go to the Brown Sisters, Merewether.

Now it's up to you Champagnat, you've got much to live up to!

Odd Jobs..... Hippotherapist

Hippotherapy refers to therapy that uses the natural movement of a horse as part of a patient's treatment plan. Because a horse's pelvis has a three-dimensional movement that mirrors the physiology of the human walk, horseback riding can be highly beneficial for patients with both physical and neurological disabilities.

Hippotherapy may be used in physical, occupational, psychological, or even speech therapy, and is becoming a popular option for children with multiple sclerosis, autism, Downs syndrome and other conditions.

This video gives you an idea of what a Hippotherapist does

**The
Uniform
Shop**

Dear Uniform Shop Customers,

We understand the financial pressures that many families face and as a result Alinta Apparel are constantly balancing our operating costs to achieve the highest quality of garments in line with the expectations our schools and their families have come to expect.

We are continually looking at ways to operate and manufacture uniforms more efficiently without negatively impacting on the product, rights of our employees and personalised service and expectations of our schools and customers.

Despite this, we are continually experiencing price adjustments from our manufacturers and unfortunately are unable to wear the full impact of this anymore.

Please be aware that from 1st August 2014, Uniforms will incur a price adjustment. We will be holding prices until this time so you have the opportunity to make purchases at the current price.

We thank you for understanding and hope you continue to enjoy your experience with Alinta Apparel.

Warm regards

Term 1

Thank you to those families who have finalised their school fees or made payment arrangements with the Finance Office.

For those families who still have an outstanding balance without an arrangement in place and who have failed to contact the Finance Office, we will be initiating the College's Debit Recovery Action.

You can view the Debit Recovery policy online at the Catholic Schools Office website, www.mn.catholic.edu.au – Resources – Policies – Fee Management Policy. It is very important that any family experiencing financial hardship contact the College as a matter of urgency.

Term 2

Just a reminder the College Term 2 statements were emailed/mailed on Friday, 2 May. Please check your nominated email accounts and notify us if there has been a change or you did not receive the email or mailed statement.

Please note Term 2 fees were due for payment on Friday, 23 May 2014.

If you are paying your school fees by instalments via Bpay or Direct Debit, you need to check your school fees are reducing as you would expect them too. It is your responsibility to ensure your school fees are up to date. Please contact the school if you require an updated statement.

Winter Appeal

Every winter the St Vincent de Paul Society distributes clothes, blankets and food, as well as hope and comfort to the homeless and marginalised. Our College group is supporting this Australia wide Winter Appeal with our own appeal which starts on Monday, 16 June and runs until Tuesday, 24 June.

What to bring? As well as clean, warm clothing and blankets, non perishable food items, such as canned soups, pasta, baked beans and tinned fruits would be most welcome. These items can be brought to your Tutor Group or left at the Student Office.

Thanks in anticipation of your generosity.

Vinnies Day

Many thanks to all the students who participated in Vinnies Day this year, and also to the staff who helped run the successful day and all the families who generously donated money to a great cause. Altogether we raised \$1210.25 which will be used to support the St Vincent de Paul Society Diocesan Fund to help needy students within our schools. It will also go towards supporting the education of two students from the Asia-Pacific region through the St Vincent de Paul Society Assist-a-Student Program and also to assist the Marist Brothers School in Phnom Peng in Cambodia to support the disabled children at that school and to assist a Marist project at Aleppo in Syria.

Thank you again to all who participated and Year 11 students getting your op-shop clothes ready for next year!

Hockey Championships Lithgow

On Thursday, 21 and Friday, 22 May 2014, 25 skilled hockey players travelled to Lithgow to compete in the NSWCCC Hockey Championships.

Although chilly overnight, we were blessed with sunny days for the competition. The boys first game was a torrid affair on turf against Edmund Rice College with Zac Thurlow scoring in the 1st & 15th minutes. With a lead of 2-1 at half time, the boys were confident and competitive throughout the whole game especially when Taylor Kirkwood levelled the score. Unfortunately they suffered a 4-3 loss. The next game against McCarthy College on grass proved difficult on the slippery surface and control of the ball was a determining factor in this match and the resulting score was a 0-7 loss. Our 3rd game on grass was a better performance against Trinity Catholic College, with Taylor and Zac again proving to be a dominant force up front, unfortunately some mistakes in defence allowed the opposition to sneak in four unanswered goals, score 2- 4 loss. The next game against the toughest team in the competition resulted in a loss of 0-5. The next game of the day against O'Connor Catholic College was a playful game with O'Connor managing to slip a single goal through our defence, Score 0-1 loss. The final pool game against La Salle Academy the following day incorporated some tactful changes with Austin Davies (Goalkeeper) moving onto the field and Bryce Kennedy taking the stance at goal. This proved to be a mastermind stroke with Lewis Foot snatching a goal in the dying seconds of the game to level the scores. With this draw the boys finished 6th overall and were in the playoffs for 5th /6th position against O'Connor, in an enthralling and entertaining game the skill of our players outclassed O'Connor with Zac Thurlow, Lewis Foot and Andrew de Souza all scoring goals. I must mention Morgan Hart's superb goal which was denied by the umpire.

Special mention must go to Taylor Kirkwood who umpired the majority of the following matches as part of our duty and also to Ryan Johnston and Lewis Foot who assisted him.

SFX Boys' Hockey team: Lautaro Brieva, Austin Davis, Andrew de Souza, Lewis Foot, Morgan Hart, Cooper Houston, Ryan Johnston, Taylor Kirkwood, Jesse Swain, Zac Thurlow, Bryce Kennedy and Joel Oliver.

The first game for the girls was played early in the morning on frost covered grass against Red Bend Forbes. Both teams spent a lot of time slipping over and there were a few cases of bad grass burns. We were narrowly beaten 4-5. Conditions improved as the day went on and we won the rest of the games that day and progressed to the semi-finals on Friday against St Joseph's Gosford. This was a hard fought game that we eventually tied 1-1 but because we had beaten them in the previous game, we went into the finals against Red Bend. SFX girls did not give an inch and despite Jacqui Wrightson being carted off with a suspected broken wrist after a furious tackle, we hung on to win 1-0. This was such a moving moment as SFX Girls hadn't won since 1995.

Special mention goes to our Captain/Coach, Angelica Purcell whose mother and sisters came along to Lithgow to support the team and volunteer some much appreciated umpiring. Our first time Goalie, Isabel Powell, was fearless and nothing much got past her while Lauren Daly played most matches with an ice pack strapped to her injured hip. All the girls, led by an exuberant Jessica Grosskreutz, belted out a stirring rendition of 'Sub Tuum' at the beginning of each game and this helped to spur them on to play the best they could. Injuries and broken nails aside, this was a very exciting and rewarding trip and the exemplary behaviour and good sportsmanship displayed by the team, made the 2014 CCC Hockey Championships a memorable occasion and an event the College can be proud of.

SFX Girls' Hockey team: Minerva Bailey, Lauren Daly, Abbie Dowdell, Sophia De With, Mikala Fulmer, Eliza Gardiner, Jessica Grosskreutz, Madeleine Jordan, Madison McLachlan, Isabel Powell, Angelica Purcell, Jacqueline Wrightson and Jessica Sorby.

Students Who Drive a Car to and from School

The following information is required as a part of the College Road Safety Policy which seeks to provide a framework of common understanding for students, staff, parents/carers and the community who interact with the College to provide a safe environment.
